

## PROECO PLUS

Specially formulated for ponds, fountains and birdbaths. It provides crystal clear water by removing organic muck and sediment. It also seeds and maintains biological filters and is great for spring start ups and after pond clean-outs.

ProEco Plus	Part #
8 oz	200152
16 oz	200153
32 oz	200138
128 oz	200139

## OXY PRO

Use to simply "lift" debris from waterfalls, streams, rocks and/or anywhere debris accumulates. Great for ponds with fish & plants.

Oxy Pro	Part #
2 lbs	200136
10 lbs	200137

## MUCK AWAY

Accelerates the decomposition of organic matter caused from fish waste, dead leaves and dead algae. A must for ponds with rocks and gravel that are difficult to vacuum.

Muck Away	Part #
12 packets	200113
96 packets	200213

## BARLEY BOOST PLUS

All the benefits of barley, plus sludge-reducing bacteria. Barley Boost Plus works faster than pellets, without the mess of bales.

Barley Boost Plus	Part #
8 oz	200105
16 oz	200106
32 oz	200108
128 oz	200151

## PROECO SEASONAL

Accelerates the decomposition of leaves, scum and sediment that builds up during the fall and winter months. In the spring, it replenishes winter bacteria loss, jump starts the filter and breaks down unwanted waste.

ProEco Seasonal	Part #
12 packets	200114

## PROECO CLEAR FLOC

Clears up murky water caused by floating organic and inorganic particles. As well, it clumps particles together to be removed by filtration or to sink to the bottom of the pond.

ProEco Clear Floc	Part #
16 oz	200254
64 oz	200255

## PROECO NATURE'S PACK

Naturally improves water clarity by attacking nutrients and suspended organic waste.

Size	Part #
24 X 1oz	200111
24 X 4oz	200211

## POND & FISH PREP

Removes chlorine and detoxifies chloramines and heavy metals. Helps fish replace their protective slime coating, protecting them from parasites and infections. Adds electrolytes, aiding fish in oxygen uptake and detoxifies ammonia.

Size	Part #
8 oz	200252
16 oz	200253

## CLARITY BOOSTER

Reduces the need for water changes, locks up excess nutrients, buffers pH, stimulates bacteria growth, removes suspended particulates and makes regular maintenance a breeze.

Size	Part #
2 lbs	200112
9 lbs	200135
